Penguin Loves Mev

In the UK

I'll surprise you

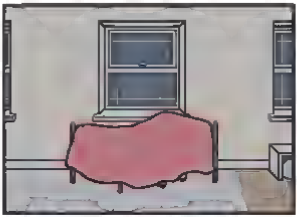
Sometimes, I attempt a jake to surprise Mev.

Just before Mev comes back home,
I hide somewhere

And then jump out
suddenly to surprise him.

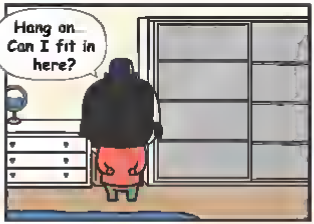
I've hidden under the desk

I've hidden behind the door.



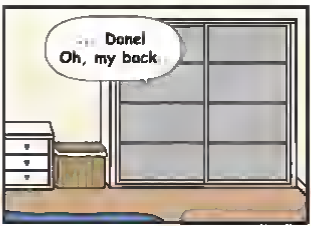
I've also hidden beneath the bed sheet on the clothes horse.

Now, it's quite hard to find a good place to hide.



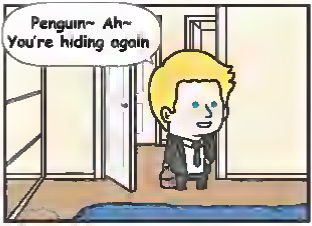
Then one day,
Mev's closet caught my eyes.

There were two bars across the space,
so it was very hard to hold a good position.



I crumpled my body like a piece of paper,
and finally could hide in there

I was so confident.

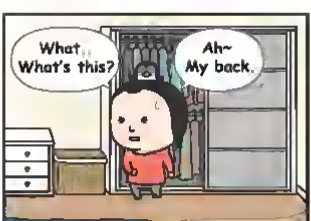


Mev got in the room

He opened the closet door, and...I

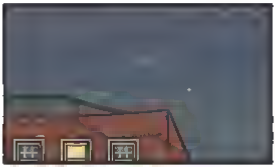
...He just left after he only hooked his tie on the tie hanger.

He even didn't notice
the P of Penguin.



I lost a good time to surprise him.

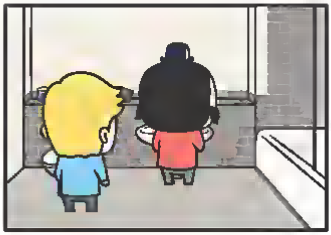
So I just needed to finish my joke like that.



That evening

OK~ Let's
do this

Penguin~



... Succeed?

Why are you surprised now?
